Sunbonnet Sue: Star-Spangled Sue Pattern Extension
Upgrade your basic 8" Sue

Hint

Trace your hat pattern pieces onto fusible and fuse to your wools. Use clear, bright colors of red, white and blue wools for your pieces.

Hat

The red stripes will not go all the way to the edges of the white hat. Blanket Stitch all your pieces. I used three small star buttons on the hat band, but you may also embroider some stars instead. Use a Star Stitch on the tiny blue field in the upper left corner of the hat to secure this piece.

Sparkler

I used a variegated metallic thread to create this sparkler. The thread is Kreinik metallic thread, #1300 25m. I stitched the handle portion of the sparkler first, using a brown cotton thread & a Stem Stitch. Using just two strands of the Kreinik metallic thread, stitch a series of random Straight Stitches in varying lengths at the end of the handle to create the sparkler effect. Have fun with the variegated metallic thread when stitching your sparkler!

Enjoy!
